

Use this form to apply for any of the equipment rebates listed below.

Follow these steps to receive a rebate for the equipment listed below:

- 1) Consult a qualified heating contractor or plumber to obtain an estimate.
- 2) Go to www.smartenergy-zone.com/nationalgridny to view available funds and to complete the online reservation form. Customers that do not have online access must call 1-877-316-9491 to reserve funding.
- 3) This will reserve funding for your anticipated rebate. You will receive confirmation of your reservation via a Web Submission ID. **(In order to receive a rebate it is REQUIRED that you obtain a Web Submission ID by 12/12/2012).**
- 4) Complete this application and mail it in within 60 days of rebate reservation with: a) A copy of the equipment's Air-Conditioning, Heating and Refrigeration Institute (AHRI) certificate (if applying for a boiler, furnace, or water heater rebate). Download a certificate from www.ahridirectory.org or ask your contractor for one. b) A copy of your dated invoice.

Please make sure your invoice includes:

- ◆ The complete equipment make and model number(s)
- ◆ Installation cost(s) of each unit
- ◆ Labor cost(s)
- ◆ Installer name and address
- ◆ Indicate "payment made in full" or "zero balance"

Mail to: New York High-Efficiency Heating Equipment Rebate (NYH), Offer# H543997, PO Box 130013, El Paso, TX 88513-0013

Please call 1-877-316-9491 or visit www.powerofaction.com/efficiency if you have questions.

To track the status of your rebate, please visit www.smartenergy-zone.com/nationalgridny.

Equipment must be installed from 1/1/12 to 12/31/12 and rebate application must be postmarked by 12/31/12 to be eligible for qualified rebate(s) contingent upon availability of funds. Due to limited funding, the program may be terminated at any time.
